## New Butterfly Valves and Electric Actuators

Dear Valued Business Partners and Friends,

Gruner AP is pleased to introduce its new range of Butterfly Valves and Electric Actuators. The portfolio in the 910(C) / 920(C) / 930(C) series combines robust mechanical design with clear control options, offering Wafer, Lug, and Double-Flanged bodies, as well as three actuator series to meet different functional and budget needs.

### What's in the new range:

- Size range: DN 50–DN 800
- Seats: EPDM [standard], PTFE, NBR
- Valve bodies: Wafer / Lug / Double-Flanged
- Media: Chilled and hot water, glycol solutions, sea-, waste and drinking water, gas
- Discs: Ductile iron (nylon-coated), Stainless steel SS304 (CF8); Al-bronze on request
- Typical applications: Cooling/heating water, heat-exchange loops, data centers, water treatment, marine, power/energy, pulp and paper, airports, and metro facilities.
- The matching electric actuators: Three series (Standard, Advanced, Ingenious) with common core functions and tiered enhancements (see page 2).

# STANDARD, ADVANCED OR INGENIOUS

With our 9xx-Series of BFV Actuators we have you covered!

## SOME OF THE KEY FEATURES

Feature / Function	910(C) – Standard	920(C) – Advanced	930(C) – Ingenious
Power Supply <sup>*)</sup>	230 V AC		
Control Modes	2-/3-point, 0–10 V (default) or 0–10 V and 04–20 mA optional		
Ingress Protection	IP67 / IP68 (optional)		
Manual Operation	Integrated hand wrench	Handwheel automatic clutch mechanism	
Overload Protection	N/A	Electronic torque sensor	
Local Interface	N/A		3.2" colour LCD with multi-language UI
Advanced Functions	N/A		Intelligent management with various data logging and diagnostics. Different communication available: Modbus RTU / HART / Profibus

Refer to the data sheets for detailed information on the products.

We will continue to strengthen our HVAC device portfolio, alongside our world-class sensors, damper actuators, valves, and valve actuators, to be your partner of choice.

If you have any questions or suggestions, please don't hesitate to contact us at your convenience.

Best regards,

**Matthias Haas**

Managing Director, Gruner Asia Pacific
